

D.R. POLYMERS PVT. LTD.

**D.R. POLYMERS
BEST QUALITY POLYMERS**

**OUR ENDEAVOUR
YOUR SUCCESS**

PERFECT PLASTIC FOR PREMIUM PERFORMANCE

D.R. POLYMERS PVT. LTD.

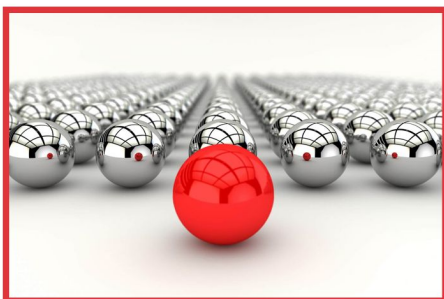

ABOUT US

D.R Polymers Limited has got years of experience since 1978 when the inception of the organization took place. We are an international trading house, serving the needs of various industrial and commercial manufacturers. We deliver a huge range of superior quality Polymers to our clients so that they can develop their desired products and expand their business.

We are an efficient and experienced trade organization that provides comprehensive Polymer solutions to the clients. Our slogan is "Our Endeavour, Your Success". One of the best Polymer distributors in India

We have been the foremost Polymer distributors in India and deliver only the best to our clients. Before distributing any product, we make sure that the product is right according to the client's specification. If you want to order a good quality Polymer then contact us, we are one call away!

WHAT MAKES US UNIQUE?

- ▶ Our full-spectrum engineering Polymers under one roof
- ▶ Strategic tie-ups with the leading manufacturers
- ▶ Up-to-date with the latest trends in the industry
- ▶ Best marketing and sales team
- ▶ A huge network
- ▶ Efficient transportation, logistics management and spacious Warehouses
- ▶ Reasonable rates and timely delivery

OPERATING PRINCIPLES

We operate through our large network across the country. We follow some operating principles that work miraculously good to our organization.

OUR OPERATING PRINCIPLES ARE:-

- ▶ Providing Polymers as per the specification of the clients
- ▶ Strictly follow ethical framework while making any deal
- ▶ Constant efforts to explore new raw materials on a global scale
- ▶ Provide our clients with the best value for money
- ▶ Work passionately till clients get satisfied

SOURCING FROM FAMED RESOURCES

We mainly source our materials from world class manufactures. This ensures the highest quality of our supplies, and helps us win the trust and confidence of our clients. We are the authorised distributor of top names in polymers industry linke:

- | | |
|-------------------------------------|---------------------------------------------------------------------------------|
| ▶ ExxonMobil Chemical | : Exceed™ mPE Resin, Enable™ mPE Resin, Vistamaxx™ (Propylene-Based Elastomers) |
| ▶ Covestro | : Polycarbonate |
| ▶ INEOS Styrolution | : ABS, SAN |
| ▶ Korea Engineering Plastics, Korea | : Nylon-6, Acrylic |
| ▶ Supreme Petrochemicals Ltd. | : Polyacetal(POM) |
| ▶ Mitsubishi Rayon | : HIPS, GPPS |
| | : Acrypet™ |

QUALITY ASSURED PRODUCTS

Quality is one of the things that are the topmost priority for this organization. Though we procure Polymers from the reputed manufacturers and importers, we check the quality of the products at our own end. We have got the experienced quality control checkers who have the genuine knowledge and understanding of various types of polymer and the latest industrial trends.

Significant Resources and Applications

ExxonMobil Chemical

| Grade | Application |
|---------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Exceed™ mPE Resin | : Multilayer packaging films, heavy duty bags, standup pouches, general films |
| Enable™ mPE Resin | : Blown film, lamination films, small pouches, freezer film, seal packaging |
| Vistamaxx™ Propylene-Based Elastomers | : <ul style="list-style-type: none"> ● Suitable for wide range of cast and blown film application ● Master batch and compounding applications ● Injection molding, extruded sheets/profiles and non-wovens |
| Exxonmobil™ PP ICP Resin | : <ul style="list-style-type: none"> ● Furniture, housewares, juvenile products, toys, luggage parts, sporting goods, battery cases ● Thin-wall, containers, especially for food contact applications such as yogurt pots, margarine/ice cream tubs and instant noodle cups ● Materials handling (crates, totes, bins) applications (washing machine components, small appliance) ● Battery cases (Parts requiring good UV stability) ● Washing machine components, refrigerator, vacuum cleaners, automotive trim |

Gujlon- (Nylon-6)

Application

- Monofilament, strapping, zippers cords and profiles
- Automobile componentss, medical and surgical items, electrical and filaments
- Schools, co-extrusion of films, tubes, roads, slabs, profiles

Acrylic

Application

- General purpose grade most commonly used for extruded profile, tubes and rods
- Heat resistant, medium flow, grade suitable for both moulding and extrusion
- Embossed, flat and double coloured sheets in various transparent and opaque colors and possible
- High flow grode with good processability, most suitable for complicated moulding and thinner parts

Supreme Petrochem. Ltd

HIPS, GPPS

Grade Application

- HS731E : HIPS designed for extrusion and thermoforming as well as for injection moulding with high glass. Applications include containers refrigerator parts, cameras, appliances, disposables, general packing, etc.
- SH400 : High gloss HIPS, Designed for replacing ABS in low and applications like office accessories, camera, toys, micro floppy diskettes, extrusion coating, housing appliances, etc.
- SC201LV : High strength GPPS with excellent flow and clarity. Applications include cutlery, medical disposables, household items & novelties etc. SC203L is available for intricate moulding like crisper trays etc.
- SC206 : High flow GPPS with excellent clarity. Applications include disposable medical parts, crystaware, beads, bangles, general packing, thin wall cups etc. SC206E is available for applications like synthetic pencils, extrusion, etc.

INEOS STYROLUTION

Absolac ABS & SAN

Application

- Appliances
- Consumer Electronics
- Business Machines
- Automotive Industry
- Telecommunication Industry
- Textile Industry
- Stationery and Novelties
- Sheets for thermoforming
- Refrigerators(vegetable tray, shelf, butter box etc.)
- Household Articles
- Cosmetic Packaging
- Lighters

KOREA ENGINEERING PLASTIC Polyacetal(POM)

Application

- Automotive
- Electronics
- Commodity

(A unit of Bayer Material Science)

Polycarbonate(PC)

Application

- Optical Data Storage Media
- Sheets (solid, corrugated and multi wall)
- Large Water Bottle
- Electronics / Electrical Engineering
- Optical Systems(spectsvles, lenses)
- Household(tableware, re-usable packaging container, housing appliances)
- Automotive Industry
- Medical Technology
- Diffuser grade(LED light)

Acrypet™ is the registered mark of methacrylic resin of Mitsubishi Rayon Co.Ltd., Comprehensive Manufacturer of Methacrylic Resin.

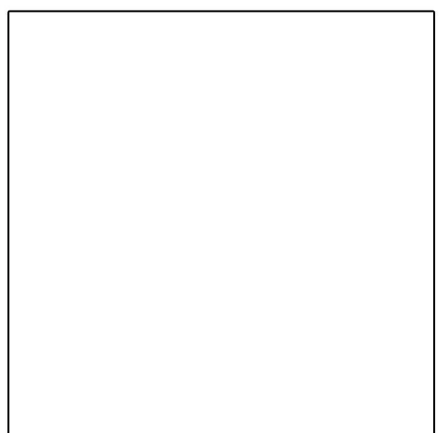

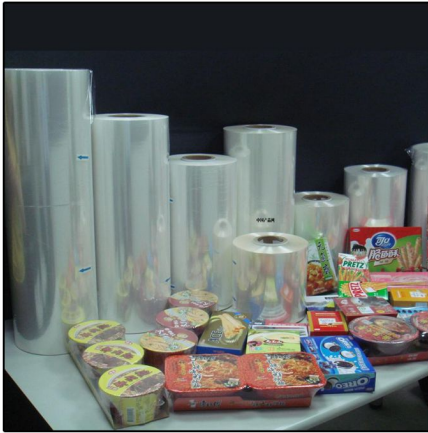

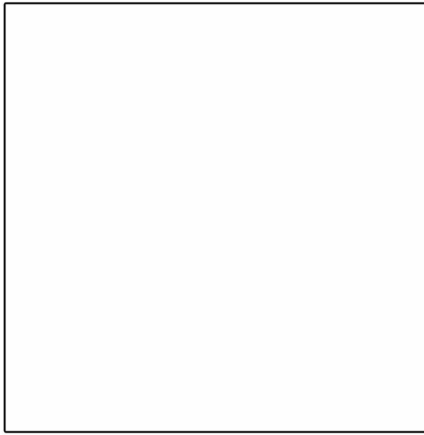

● Methacrylic resin has the top grade of:

1. Transparency
2. Weather Resistance
3. Good Texture.

These excellent charateristics allow to offer the wide range of applications.

1. Automobile
2. Building materials
3. Elecctric Appliance
4. Optical Products

POLYMERS THAT WE DEAL IN:

As a renowned entity in polymer arena, we bring in wide array of polymers to cater to varied industries. The prominent polymers that we source, import and supply include:

- PP/PPCP
- LDPE
- ABS
- PMMA
- HIPS
- EVA
- Enable™ mPE
- Exceed™ mPE
- K - resin
- Nylon - 6
- Poly Acetal
- HDPE
- LLDPE
- SAN
- PC
- GPPS
- PVC
- Vistamaxx™
(propylene-based elastomer)
- ASA
- Acrylic
- Acrypet

ADVANTAGES TO OUR CLIENTS:

Being in the industry for about 4 decades, we have developed a better know how about polymer world and developing added value for ourselves, such as:

- Full-spectrum engineering polymers under one roof
- Strategic tie-ups with leading manufacturers
- Up-to-date with the advancement of polymer industry
- Elite marketing and sales force
- Highly efficient of our own transportation, warehousing and logistics management
- best pricing and time-line delivery commitment
- 24 X 7 delivery of material available

OUR CLIENTELE:

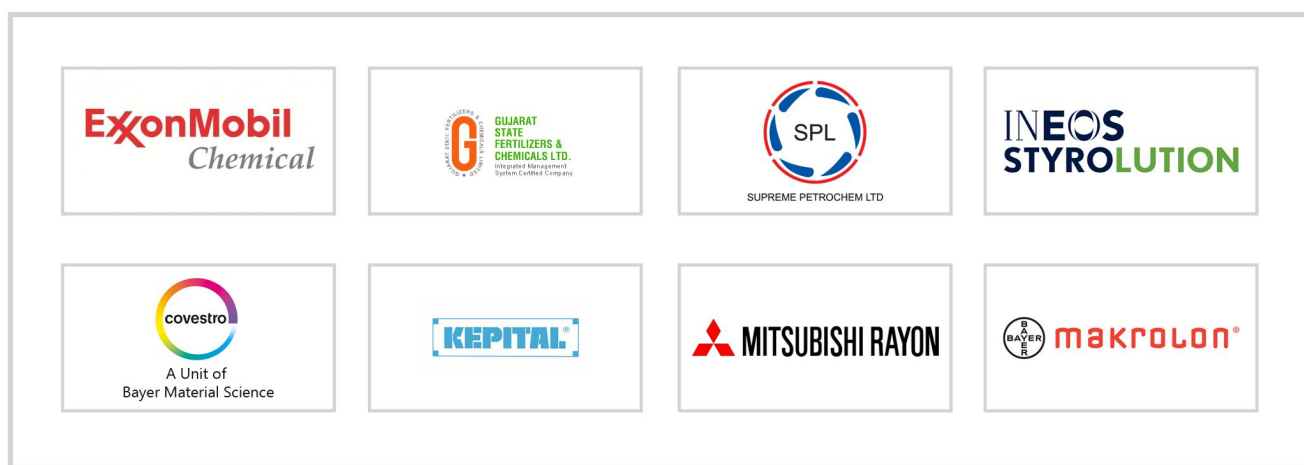

Because of our distinguished way of trading in polymers, we have gained trust and confidence of some of the reputed clients like:

and many Others.....

Authorised Dealer & Distributor of

D.R. POLYMERS PVT. LTD.

HEAD OFFICE:

71/7 Rama Road, Near Kirti Nagar Metro Station, New Delhi-110015, India, Mob: +91-9873277773, Ph: 011-45023000
